

**Request for Pre-qualification of Bidders Commencing with Forthcoming Public Works
Bid**

San Ramon Valley Fire Protection District

Fire Station 31 Project, 800 San Ramon Valley Blvd., Danville, CA 94526

Release Date: April 9, 2026

Response Deadline May 15, 2026

Notice is hereby given that the San Ramon Valley Fire Protection District (“**District**”) has determined that all bidders on the Fire Station 31 Project to be undertaken by the District must be pre-qualified prior to submitting *a bid on that project*. It is mandatory that all Contractors who intend to submit a bid, fully complete the pre-qualification questionnaire, provide all materials requested herein, and be approved by District to be on the final qualified bidders list. No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid as part of a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid.

The last date to submit a fully completed questionnaire is May 15, 2026. Contractors are encouraged to submit pre-qualification applications as soon as possible, so that they may be notified of omissions of information to be remedied or of their pre-qualification status well in advance of the bid advertisement for this project.

Answers to questions contained in the attached questionnaire, information about current bonding capacity, notarized statement from surety, and the most recent reviewed or audited financial statements, with accompanying notes and supplemental information, are required. District will use these documents as the basis of rating Contractors in respect to the size and scope of contracts upon which each Contractor is qualified to bid. District

reserves the right to check other sources available. The District's decision will be based on objective evaluation criteria.

The District reserves the right to adjust, increase, limit, suspend or rescind the pre-qualification rating based on subsequently learned information. Contractors whose rating changes sufficient to disqualify them will be notified, and given an opportunity for a hearing consistent with the hearing procedures described below for appealing a pre-qualification rating.

While it is the intent of the pre-qualification questionnaire and documents required therewith to assist District in determining bidder responsibility prior to bid and to aid District in selecting the lowest responsible bidder, neither the fact of pre-qualification, nor any pre-qualification rating, will preclude District from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

The pre-qualification applications should be submitted under seal and marked "CONFIDENTIAL" to Interim Deputy Chief Eric Sabye at the District's Administrative Office, 2401 Crow Canyon Road, Suite A, San Ramon, CA 94583

The pre-qualification applications (questionnaire answers and financial statements) submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in the appeal hearing. State law requires that the names of contractors applying for pre-qualification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify District and provide updated accurate information in writing, under penalty of perjury.

The District reserves the right to waive minor irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the pre-qualification procedures will not be applied to a specific future public works project.

Contractors may submit pre-qualification applications during regular working hours on any day that the offices of District are open. Contractors who submit a complete pre-qualification application will be notified of their qualification status no later than ten (10) business days after submission of the information.

District may refuse to grant pre-qualification where the requested information and materials are not provided, or not provided by May 15, 2026. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. The

closing time for bids will not be changed in order to accommodate supplementation of incomplete submissions, or late submissions.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made. An appeal is begun by the Contractor delivering notice to District of its appeal of the decision with respect to its pre-qualification rating, no later than ten (10) business days prior to the closing time for the receipt of bids for this public works project. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of District, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal and requests a hearing, the hearing shall be conducted so that it is concluded no later than five business days after the District's receipt of the notice of appeal, and no later than five business days prior to the last date for the receipt of bids on the project. The hearing shall be an informal process conducted by a panel to whom the District's Board of Directors has delegated responsibility to hear such appeals (the "Appeals Panel"). At or prior to the hearing, the Contractor will be advised of the basis for the District's pre-qualification determination. The Contractor will be given the opportunity to present information and present reasons in opposition to the rating. Within one day after the conclusion of the hearing, the Appeals Panel will render its decision. It is the intention of District that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.

The District reserves the right to evaluate bidder responsibility pursuant to California law if and when bids are submitted by pre-qualified contractors.

Note: A contractor may be found not pre-qualified for bidding on a specific public works contract to be let by the District, or on all contracts to be let by the District until the contractor meets the District's requirements. In addition, a contractor may be found not pre-qualified for either:

- (1) Omission of requested information or
- (2) Falsification of information

PROJECT INFORMATION

The District will construct a new two-story Fire Station 31 at 800 San Ramon Valley Boulevard in Danville, California. The new facility will have four apparatus bays, an entrance lobby, gym, decontamination room, turnout room, and mechanical and electrical rooms on the ground floor. The second floor will have dormitory rooms, offices, kitchen and dining area, crew office, laundry, restrooms and a dayroom.

The project requires demolition of the existing station and construction of a new station within the existing site limits. The District will relocate the existing fire department equipment and personnel prior to award of this contract.

The Project is for an Essential Services Building as defined in California Health & Safety Code section 16000 et. seq. and is subject to inspection and reporting during construction as required under Health & Safety Code sections 16017, 16021, and the California Building Code.

The District presently anticipates issuing plans and specifications for competitive bidding in July of 2026, with an anticipated construction duration of approximately 18 months. These dates are preliminary and subject to change.

- (Explain on a separate sheet. Describe the nature of each violation and identify the name of the project, date of its completion, public agency for which it was constructed, number of employees underpaid, and amount(s) of back wages and penalties your firm was required to pay.)
- NOTE: Question 18 refers only to the violation of prevailing wage laws by your firm, not to violations by a subcontractor.**
19. How many times during the last five years, has your firm or any subcontractors hired by your firm been required to pay back wages and/or penalties related to **state or federal** prevailing wage laws for work performed by a **subcontractor**? **0 1 2 3 4 5+**
- (Explain on a separate sheet. Identify the subcontractor’s business name and CSLB license number, describe the nature of each violation, and identify the name of the project, date of its completion, public agency for which it was constructed, number of employees underpaid, and amount(s) of back wages and penalties your firm was required to pay.)
- NOTE: This question refers only to the violation of prevailing wage laws by subcontractors, not to violations by your firm.**
20. How many times during the last five years, has your firm paid any penalties related to any provision of California apprenticeship laws or regulations, or the laws pertaining to use of apprentices on public works projects, including Labor Code sections 1777.5 and 1777.7? **0 1 2 3 4 5+**
- (Explain on a separate sheet. Provide the date(s) of such findings, case number(s), and attach copies of the Department’s final decision(s).)
21. How many times during the last five years, has any subcontractor hired by your firm paid any penalties related to any provision of California apprenticeship laws or regulations, or the laws pertaining to use of apprentices on public works projects, including Labor Code sections 1777.5 and 1777.7? **0 1 2 3 4 5+**
- (Explain on a separate sheet. Provide the date(s) of such findings, case number(s), and attach copies of the Department’s final decision(s).)

Prior Directly Relevant Experience

The Project is for an Essential Services Building as defined in California Health & Safety Code section 16000 et. seq. and is subject to inspection and reporting during construction as required under Health & Safety Code sections 16017, 16021, and the California Building Code. The District reserves its rights to only pre-qualify contractors that meet the following prior experience criteria:

The contractor has constructed at least two public safety facilities within the last five (5) years that meet the following criteria:

1. Were in urban or suburban environments.
2. Had construction budgets exceeding \$15 million each.
3. Involved substantiation demolition of existing structure(s) and construction on a confined site.

The contractor must submit a Project Reference (see section E below) or each project the contractor intends to submit to support this determination.

NOTE: Omissions, misrepresentations and any failure to disclose associations with other firms or any prior history of alleged violations may lead to loss of your eligibility to register as a Public Works Contractor, disqualification of bids, and/or grounds for termination of a contract.

E. PROJECT REFERENCES

Provide information about the firm’s six most recently completed public works projects and its three largest completed private projects within the last three years. Names and references must be current and verifiable. Use separate sheets of paper that contain all of the following information*:

For General Contractors: Only list projects your firm performed as the general contractor.
For Subcontractors: Only list projects your firm performed as the prime contractor if a single trade job or as a subcontractor on a multiple trade contract. For multiple trade contracts, indicate the general contractor’s name and contact information.
